

The Media says that General Practice has been closed since 23rd March 2020. Here are some figures that show otherwise for Brambllys Grange Medical Practice.

5,772 Patients attended a face-to-face appointment at the practice. Our brilliant GP's, Nurses, HCA's and Admin Team worked in hot PPE. INCLUDING BANK HOLIDAYS!

17, 263 Telephone Consultations were made with a GP or Nurse.

We welcomed 545 new patients who registered with us and provided care for 52 temporary patients visiting the area.

The practice received 61,864 incoming calls and made 34,231 outgoing calls.

Processed 133,283 medication requests and completed 1,188 Fit Note Requests

We received 2,047

We have done:

2,405 blood tests

175 diabetic reviews

267 cervical cytology tests

327 asthma reviews

145 COPD reviews

Our GPs visited 160 patients at home.

Through good times and bad your PRACTICE TEAM will always be here for all 19,418 of you!
